AN ACT to amend Tennessee Code Annotated, Section 67-5-2001, relative to the collection of delinquent property taxes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 67-5-2001, is amended by adding the following as a new subsection (d):

(d)(1) Notwithstanding any general law or any private act to the contrary, the county trustee may accept partial payments of delinquent property taxes, including, but not limited to, payment by electronic transfers, bank customer preauthorized payments, wire transfers or ACH credits. If the entire amount of delinquent taxes due is not paid prior to the date the trustee delivers the delinquent tax lists to the delinquent tax attorney, the entire property shall be subject to the tax lien and enforcement by a tax sale or other legally-authorized procedures.

(2) Prior to any county trustee accepting partial payment of delinquent property taxes, the county trustee shall file a plan with the comptroller of the treasury at least thirty (30) days prior to the acceptance of the payments. The plan shall indicate that the county trustee's office has the accounting system technology to implement a program for partial payment of delinquent property taxes. The plan shall also indicate whether the program will be implemented within the existing operating resources of the office or indicate prior approval of the county legislative body if additional operating resources are needed.

(3) The delinquent date for property taxes and penalties and interest applicable to delinquent property taxes shall not be affected by application of a partial payment system established in the county.

(4) Penalties and interest shall apply only to the amount of delinquent property taxes remaining due.

(5) If a partial payment of delinquent property taxes is accepted, the partial payment does not release the tax lien on the property upon which the taxes were assessed.

SECTION 2. This act shall take effect upon becoming law, the public welfare requiring it.
